

VISA INFORMATION

Due to the constantly changing nature of travel, we urge people to research their own travel requirements. This includes Passport and Visa requirements, documentation for re-entry into the country of residence and any other identification needed. Please allow sufficient time in advance of the meeting for processing of all necessary documentation.

Be sure to confirm air and hotel arrangements at least 24 hours in advance of departure. As a reminder, never leave your wallet and passport unattended while traveling, and have photocopies of all identification and credit cards in case of theft or loss.

When traveling to the United States, be sure to contact your Embassy for current Entry Requirements.
